REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Barrington:

Barrington maintains 5 one-room schools, as follows:

School	Teacher	Enrollment
Green Hill,	Mrs. Mae E. Scruton,	10
Oak Hill,	Mrs. Grace H. Brock,	19
Pond Hill,	Mrs. Merle L. Jewell,	15
Waldron Hill,	Mrs. Edith C. Blair,	20
Winkley,	Mrs. Melissa H. Blaisdell,	28
Total,		92

Last year the total registration for the year was 100, of whom 50 boys and 44 girls first registered in Barrington. The schools were actually in session 356.4 half-days, with an aggregate attendance of 30,326. Following is the enrollment by grades: first, 10; second, 9; third, 15; fourth, 11; fifth, 9; sixth, 10; seventh, 12; eighth, 18. Ninety pupils were promoted, and two not promoted. The average September age by years and months by grades was as follows: first, 6-7; second, 7-8; third, 9-10; fourth, 9-11; fifth, 10-0; sixth, 11-8; seventh, 13-1; eighth, 13-9. There were 21 pupils between 5 and 8 years of age, 61, 8-14; 12, 14-16. The average attendance was 85.11, average absence, 6.00, average membership 91.11, and per cent of attendance 93.41. There were 142 cases of tardiness, but 5 pupils were not absent nor tardy during the year. Twenty-two pupils were transported at district expense. The School Board held 10 meetings and made unannounced visits at the schools. Other visits in-

cluded 96 by the superintendent, and 240 by parents.

While the school nurse's examination showed that for the most part the children are making a normal advance in weight and stature, the following defects were disclosed: Underweight (10%) 14, vision 10, hearing 1, teeth 40, tonsils 9, breathing 6. Twenty-two defective conditions were corrected during the year, with the cooperation of parents, doctors, and federal Child Health Recovery Program.

Last year Barrington spent \$11.18 per \$1,000 of equalized valuation for the current costs of public education, \$7.93 of this sum being for elementary schools, of which the district raised \$5.07 and the state contributed \$2.86. Barrington has wisely declined to cripple the schools by drastic reductions which would merely curtail state aid without relieving local taxation at all.

Largely through the interest and cooperation of Mr. and Mrs. Basil Atwood, federal adult education classes were set up at Sunnyside last spring with Miss Eleanor Buzzell as instructor in instrumental music, arts and crafts, and manual training. The orchestra formed in connection with this project furnished several numbers at the combined eighth grade graduation, which was held in June at the church, East Barrington, with Mrs. Elizabeth R. Elkins, a member of the State Board of Education, as speaker.

Respectfully submitted,

CHESTER W. DOE,

Superintendent of Schools.

February 11, 1935.
